Bravo Zulu Award, FedEx Express, 2024

Dean's List, University of Illinois at Springfield, Fall 2022
Dean's List, University of Illinois at Springfield, Fall 2020
2017 National Honor Society, Mount Carmel High School

Experience

FedEx: Swing Driver (11/22/23-current)

Participated in a large international logistics and transportation team to provide the Purple Promise to customers.

In coordination with team members, I completed up to 200 time-sensitive stops each day at my discretion to large industrial enterprises, small businesses, and residential locations often with special requirements. Learned various team positions each morning before utilizing company vehicles to transport, deliver and pickup packages to/from customers.

Responsible for following proper safety, driving, appearance, service, administration, and transportation protocols.

Uber: Independent Contractor (01/21/2023-current)

Individually managed and maintained expenses, taxes, budget, repairs, maintenance, etc. as a personal driver.

Completed over 2500 passenger trips, maintained a 99% rating, and caused zero accidents in the traffic heavy downtown Chicago and surrounding areas.

Coast Incorporated: Verizon 5G Business Internet Account Manager (12/21/2022 - 03/23/2023)

Proposed technical needs as a product expert to business owners.

Interacted with hundreds of individuals throughout each week, further developing my customer service. Garnered additional skills in regard to interpersonal communication, confidence and personability from experienced team members.

UberEats: Independent Contractor (05/15/2020 - current)

Individually managed and maintained expenses and taxes as a contractor to UberEats.

Interacted with restaurants/stores, their employees, and customers independently.

Completed each delivery via mobile app, collaborating with the UberEats team only when unforeseen problems arose.

Antique Taco: Full-Time Team Floor Operator (05/01/2017 - 08/30/2018)

Assisted customer service success and satisfaction amongst a large, fast-paced team in a personable, sit-down restaurant environment.

Relied on to independently recognize and accomplish tasks to expedite team progress.

Responsible for providing genuine interactions with customers.

Further developed horizon of satisfactory service and food safety etiquette.

Improved accountability to handle money.

Maintained a clean environment for employees and customers.

Delaware North: Part-Time Lead Vendor (03/20/2015 - 09/30/2018)

Promoted to Lead Vendor due to accountability, work ethic, and leadership skills.

Lead coworkers to provide genuinely satisfying face-to-face customer service within a company framework by completing customer orders from start to finish.

Built excellent one-on-one customer service etiquette.

Gained an understanding of management experience by training and leading individual coworkers to simultaneously be successful, efficient, and presentable.

Developed budget and inventory skills.

Became familiar with and applied food safety health codes and standards.
